

Lyco

**LYCO OX-5A 5L**

**OXYGEN  
CONCENTRATOR**

## IDEAL OXYGEN CONCENTRATOR FOR YOU

Lyco Ox-5A is a 5 liters oxygen concentrator to provide long hour oxygen therapy at home. It is a durable yet efficient oxygen concentrator built to meet the medical treatment requirements of healthcare professionals, patients and caregivers. Lyco Ox-5A offers adjustable continuous flow of oxygen range from **0.5-5 LPM** at **93±3% oxygen concentration**.

## QUIET SOUND OPERATION

Lyco Ox-5A provides **ultra-quiet sound level** of 43 dBA. This noise level is similar to the sound level of a home refrigerator. This is to ensure it would not disturb patient's sleeping quality.

## WARRANTY & O<sub>2</sub> MONITORING

Each Lyco Ox-5A oxygen concentrator includes:

- **3 years warranty**
- **oxygen concentration monitoring colour indicator**

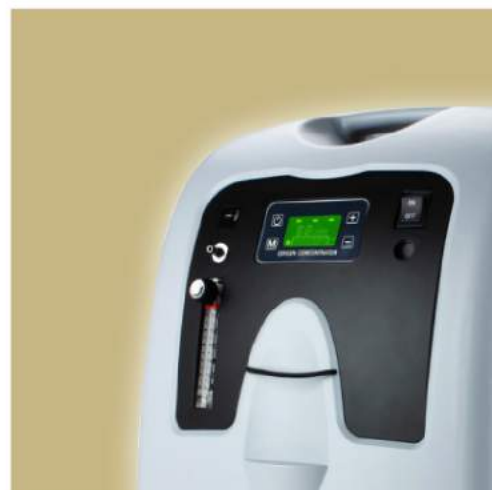

The lights on the front panel are defined as follows:

Normal	>83%
Low	82% - 70%
Very Low	<69%

# BREATHE EASY OXYGEN CONCENTRATOR

## SMALL & COMPACT

Fits right into your home environment, Lyco Ox-5A is the **compact and small oxygen concentrator**. Therefore, it would be convenient to move around the house. The humidifier bottle holder at the front panel for easy access and setup.

## LIGHTWEIGHT & EASY TO TRANSPORT

Weighing only **15kg** with integrated top handle, this oxygen concentrator is easy to lift and transport. **Sturdy caster wheels** enable the unit to effortlessly glide across common floor surfaces. It fits nicely into the trunk of a car and easy to a position near a bed without taking up too much space.

## SIMPLE & EASE TO USE

**User-friendly LED lights** ensure the safety use of this oxygen concentrator. A simple and intuitive rotating knob controls the oxygen flow. Front-mount buttons are easy to understand and use.
